OBJECTIVE

I am eager to transition into a career as a Field Engineer at JE Dunn. I look forward to bridging the gap between my technical skills and my passion for people and construction. I am organized, driven, and have bilingual communication skills.

KEY SKILLS AND CHARACTERISTICS

- Proficient in Microsoft Applications.
- Strong organizational skills.
- Leadership and team building skills developed during athletic experiences.
- Tri-lingual in English, Russian, and Belarusian.
- Programming languages: C#, CSS, HTML and JavaScript
- Database languages: Microsoft SQL and Oracle SQL

ATHLETIC ACHIEVEMENTS

2021 University of Kansas Male Athlete of the Year Award

Tokyo 2020 Olympian

WORK EXPERIENCE
