

Refund Policy

All 4 One Basketball Club refund policy exists to ensure clarity, fairness, and consistency across the program. By enrolling and submitting payment, families agree to the terms outlined below.

No Refund Policy

All payments made to All 4 One Basketball Club are non-refundable. Once a payment or installment is submitted, there are no refunds, credits, or transfers under any circumstances.

Payment Structure & Commitment

Payment plans and installment options are offered to support commitment and accessibility, not flexibility of attendance. Installment plans do not imply month-to-month participation and do not allow athletes to come and go at their discretion.

Missed Sessions & Absences

Missed practices, games, or events, regardless of reason do not qualify for refunds. Scheduling conflicts, injuries, personal matters, or changes in availability remain the responsibility of the family.

Voluntary Withdrawal

If an athlete chooses to leave the program after enrollment, no portion of payments made will be refunded. Commitment to the program is expected once payment is submitted.

Program Removal

If an athlete is removed from the program due to violations of program policies or standards, no refunds will be issued.

Acknowledgment & Agreement

By submitting payment, families acknowledge and accept this refund policy in full. All payments represent a commitment to the program and its standards.
