

PANGBOURNE

— Independent, co-educational day and boarding school, ages 11-18 —

Dear all,

Every year we have the ‘**100% cross country race**’ which is a Divisional competition, this is often enjoyed and endured in equal measure by the pupils. A couple of years ago, our Chief’s of College, had an idea to have the event as a charity colour run. It has been a very popular and enjoyable event the last couple of years and this year we will plan to do the same. Last year, we got close 100% participation by some Divisions, along with some outstanding efforts shown by individuals. It was certainly a show of Team Pangbourne spirit.

This year, we plan to run the event on Monday 28th April, please ensure your child brings with them a white t-shirt they do not mind getting covered in powder paint. If they do not want to be included in the colouration process then they can still take part in the event, and will be able to run in non-paint lanes at paint stations.

We kindly ask for £5 to be added to your end of term bill which will cover the cost of paint and a charitable donation. If you do not wish to be included in this, please complete [this form](#). We will be donating to the Pangbourne College Community fund, which supports a range of charities.

I also need to make you aware that there is a small risk associated with the powder paint and that it is minimal. However, those with underlying respiratory conditions will be advised to follow the non-painting lanes. The full details of the powder paint being used can be found [here](#) and more information from the company that provides the paint can be found [here](#)

If your child requires a mask or goggles please let me know by getting in contact with me.

Thank you in advance for your support in this event and if you have any questions please do not hesitate to ask by emailing Sam Hewick on Sam.Hewick@Pangbourne.com.

Best wishes,

Sam Hewick
(Director of Sport)
