

**Bay Middle School**  
**6th Grade Music Elective**

Dear Parents,

The 5th grade year is already three-quarters complete, and your child is almost in 6th grade. The 6th grade schedule is similar to the 5th grade schedule but with greater emphasis placed on students exploring Music, Technology, Physical Education, Family Consumer Science, and Art. Students in the 6th grade have two full periods of elective courses each day, one devoted to music education (**daily in the 6th grade**). When completing the selection sheet below, please remember that you **MUST** select one music course to take during the 6th grade and that there will be no parent information meeting scheduled about the 6th-grade registration process. Please detach and return the form to your child's homeroom teacher no later than **Friday, April 12, 2024**. If you have any questions regarding the 6th grade schedule or the registration process, please contact Mr. Grodek at (440)617-7600.

Sincerely,

Sean McAndrews  
Principal

Thomas Grodek  
Assistant Principal

**Fill Out and Detach the Form Below and Return it by April 12, 2024**

---

**6th Grade**  
**Music elective choices**

Student Name: \_\_\_\_\_

You must choose **ONE** of the music options. Students who are presently playing an instrument or willing to take private lessons may elect band or strings. You are expected to remain in the music of your choice for the entire school year. All music classes meet every day for one instructional period. Band students, sign up for the class that corresponds to the instrument you currently play. Instrument switching will happen at the beginning of next school year. Please circle your choice.

- 116    Band 6 Brass
- 120    Band 6 Woodwinds/Percussion
- 113    Strings 6
- 117    Chorus 6

Please complete and return to your Homeroom teacher by:  
**April 12, 2024**
