EPHESIANS

Because this letter does not deal with any specific problem in the church, it is said to have been a letter written for use among all the churches of Asia Minor, the church in Ephesus being the main recipient.

Probably written around A.D.62 during Paul's first Roman imprisonment, sent around the same time as the letter to the Colossians, a church also in the Asia Minor region and has similar content. For background information to Paul's missionary work in this area, see Acts chapters 19, 20, 21.
