## **ACT 1**

### **THE GIRL**

A foundling almost of sorts,  
Taken in by kindly Elves,  
Not the witches of Hansel and Gretel,  
She loved the idea of a,  
Gingerbread house,  
But not being taken prisoner and eaten,  
She grew up in a very,  
Sheltered environment,  
Gated community where,  
Only those approved to do so,  
Went in or out,  
Even so she had friends,  
There were boys  
Around the corner,  
Down the street,  
And her girl friends.

She met a boy  
Maybe it was love.

Epilogue:  
After the parties,  
After the friends were gone,  
She was alone again,  
She would remember,  
Late at night,  
How he would take her to some  
Lonely mountain top,  
Far away from everything,  
And show her the stars,  
Through his telescope,  
She would never, ever,

Forget,  
Him,  
Tears on her pillow.

▶ Britney Spears - Swimming In The Stars (Visualizer)

The memories,  
She does not want to,

Better than others,  
While she holds on,  
To their dreams.

Crying.
