

All Jazzed Up

(3rd Grade)

Wanna hear those saxes,
Wanna hear those trombones,
Wanna hear those trumpets,
I'm all jazzed up tonight.

When the joint is jumpin',
And the beat is thumpin',
Man, my heart gets pumpin',
I'm all jazzed up tonight.

When they start to play my favorite song,
I can hardly wait to swing along.

When the band is smokin',
Honey, I'm not jokin',
Though it goes unspoken,
I'm all jazzed up tonight.

Love to hear that rhythm,
And the beat it's givin',
That's what I call livin',
I'm all jazzed up tonight.

When the brass is reelin',
And I get that feelin',
Gonna hit the ceilin',
I'm all jazzed up tonight.

When they start to play my favorite song,
I can hardly wait to swing along.

When the band is smokin',
Honey, I'm not jokin',
Though it goes unspoken,
I'm all jazzed up tonight.

Ba da dap ba ba dow.
Ba da dap ba ba dow.
Ba da dap ba ba dow.
I'm all jazzed up tonight. (Repeat!)

Woh yeah! Woh yeah!
I'm all jazzed up tonight.
