

## **Privacy Policy Of Simple Dimple apps**

The privacy of users information carries top priority for Simple Dimple Apps. We respect the privacy of over users. We consider our users really important & want them to know about how we collect and use information that you provide through our apps.

### **1. Consent Of User**

By using our apps you agree to the terms and conditions set forth. You agree to the collection of your personal information and if you don't then you may not access our services.

### **2. Personal Information of User**

Simple Dimple Apps is committed to complying with the Children Online Privacy Protection Act of 1998 (COPPA). We do not collect personal identifiable information from children below 13. We do not request that children provide us with personally identifiable information.

### **3. Collection of Non-Personal Information**

Simple Dimple Apps does not collect any information from its users. Some information may be collected through third party services. They collect non-personal information from the user and the company makes sure to keep it separate from personal data.

### **4. Use & Disclosure of Information**

In general, we will not use or disclose personal information about you otherwise than for the purpose of providing or offering goods and services to you, for any other purpose that you may reasonably expect, for any other purpose authorized by law, or for any other purposes disclosed to or authorized by you. This may include disclosures to organizations that provide us with professional advice, such as solicitors, accountants and business advisors. We will, wherever possible, maintain personal information in strict confidence. Any disclosure that is required to be made to any third party will be made primarily for the purpose of providing or offering goods and services to you. In addition, the company may use third party services to collect non-personal information from the user but requires such third party to comply with Children Online Privacy Protection Act of 1998 (COPPA) and other applicable laws.

### **5. Third Party Services**

You may use third party services:

1. To obtain our software, applications and/or services (for example, a software marketplace); and/or
2. In conjunction with our software, applications and/or services (for example, a social networking website).

Your use of these third party services may be subject to separate terms and conditions and privacy policies, and you acknowledge that we are not liable for the use of your personal information by any such third parties. We strongly recommend you read these third party policies, and the terms and conditions attaching to the third party offerings, prior to access or use.
