**\*He has recently changed to Robert M Turner, III**

[ Trigger Warning: ]

**Pedophilia, Not Safe For Work [NSFW] and Fetish Content.**

Don't continue if you're sensitive to upcoming subjects. All names of victims are undisclosed and will not be given even upon request.

***This document will be revised, and expanded over time.***

***[LAST UPDATED: 3/23/2022] - Reformatted Text and Small Corrections***

In this document, we will be talking about an individual named Robert Marchbanks Dudley, III. He also goes by other names, like RMD, Chance the Cat, or Sparks. We will be showing evidence that shows the actions he has done in the past, primarily to create exposure.

What you will see in this document is not pretty, but its reality, and reality is never pleasant.

## ***SECTION 1: Online Presence***

Robert has a large online presence, to put it in a short description. But for those who want more detail, this will be broken up into multiple subsections.

It's recommended you block all of these contacts listed below.

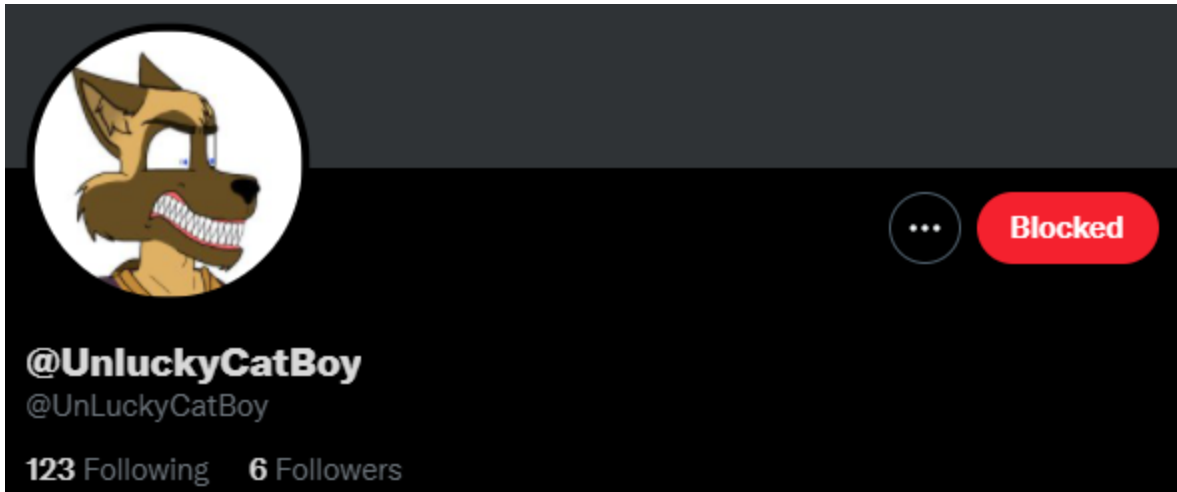

## ***SUB-SECTION 1: Twitter***

Robert has three accounts that are known. They are the following:

[@LuckyCatBoy](#), [@LuckyCatBoyNSFW](#), and [@UnluckyCatBoy](#)

The first being his main, the second being his NSFW, and the third being his vent account.

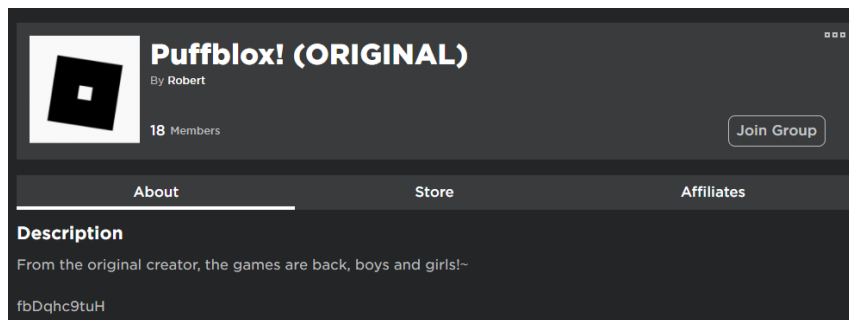

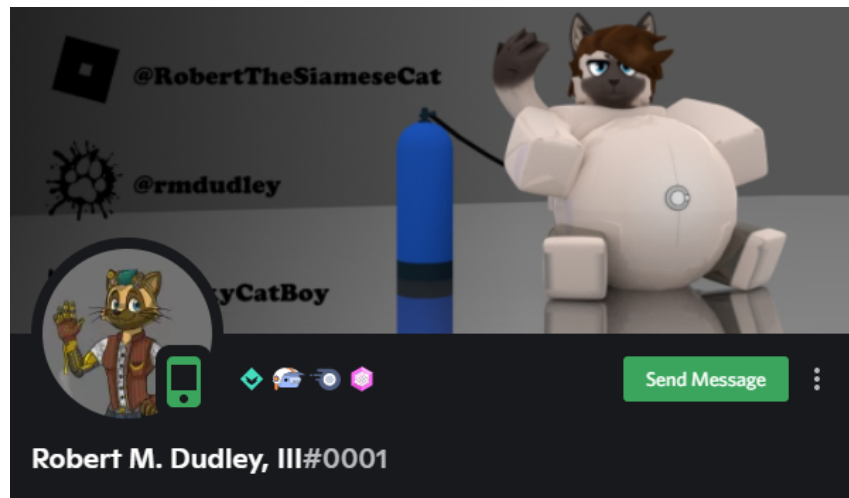

*[As of 3/10/22 it seems he has disabled his twitter handles.]*

## ***SUB-SECTION 2: ROBLOX***

While Robert uses ROBLOX normally, he also takes part in the NSFW side of ROBLOX, specifically, the inflation and/or fat porn section. He has ran, or has been in multiple groups all related to the fetishes he revolves around.

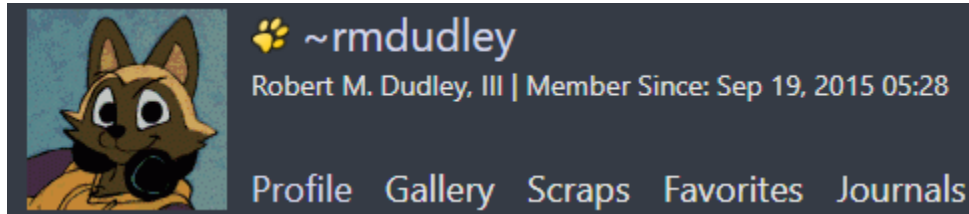

Honestly, ROBLOX suffers from a huge issue with predators, or NSFW content with no age restriction, but that is such a complex issue that it would need its own document.

It should be obvious how this is not a good thing, Roblox, while it contains a large number of adults, but it also contains a lot more minors, that should explain itself.

### ***SUB-SECTION 3: Fur Affinity and the Administration.***

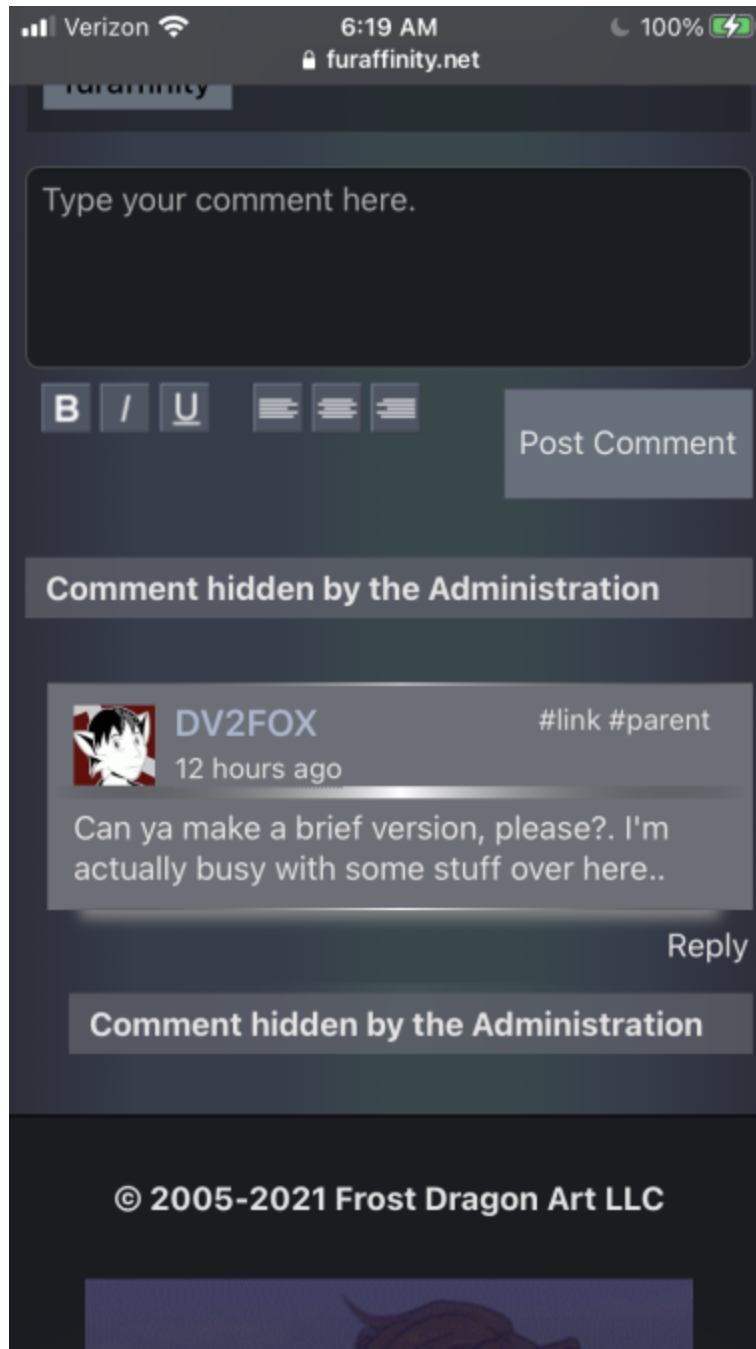

Robert owns a Fur Affinity account, known as [rmdudley](#).

Nothing special here, it is just where he favorites his commissions and whatever else, and shows off his sonas.

However, there is something that is *just a bit* sketchy.

While one of my friends was warning an artist that he takes commissions from, their comments were then hidden *by the Administration themselves*.

This could simply be just the moderator team doing their job, but at the same time, with the context, it feels just too sketchy to be true. FA has always been a bad site, ranging from being a safe haven for pedos, the owners themselves being scummy, pushing politics onto the site, but that is a separate rant.

### ***SUB-SECTION 4: Discord***

Discord is where I met Robert, and maintained the friendship for ~1-2 years until now. I [Bandit] have seen so many servers from him that involve fetish related content it's not even funny. While many have been deleted I can mention the two big ones that I can remember clearly.

Oh, and you know what would be really funny, his ID so you can report him to Discord. - 277897454899429377

#### ***Furvillia!:***

While this server was shut down/deleted, the evidence stays stuck. Furvillia! Is a ERP server that revolved around a town, where anything was possible. I was in this, but never really RPed. What can be noted here is that there were minors in it, at least 4 to 8

With the picture provided, please pay attention to the ones with “invited by Robert”. This is a small section of the verification channel, as I managed to snap a pic every single one before being let in.

Furvillia was also hooked up to the Disboard bot, meaning anyone could enter at any time.

I can remember multiple times where he states it is 16+, for a fetish RP server.

Aw yep.

## ***Puffblox!:***

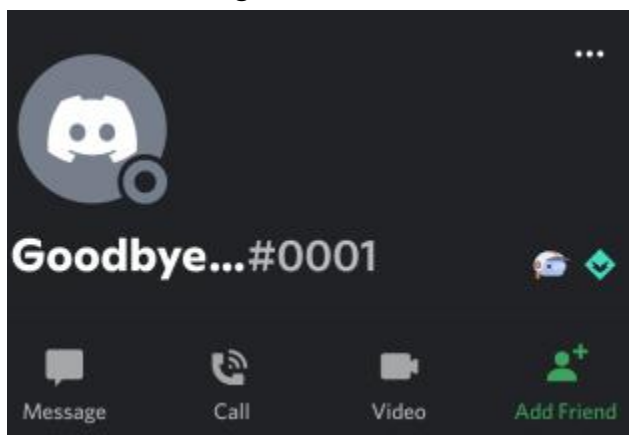

From what it seems, this too was also shut down. This one was directly linked to Roblox, also on the topic of inflation or NSFW in general, there was also a place for the said group on the Roblox site. What makes this worse is the name was actually stolen from the previous group that accused him of pedophilia *before*. This will be talked about later.

The small code in the description is what led to his discord, but it doesn't work anymore.  
I wish I could name the rest, but I just cannot remember.

### ***His actual Discord:***

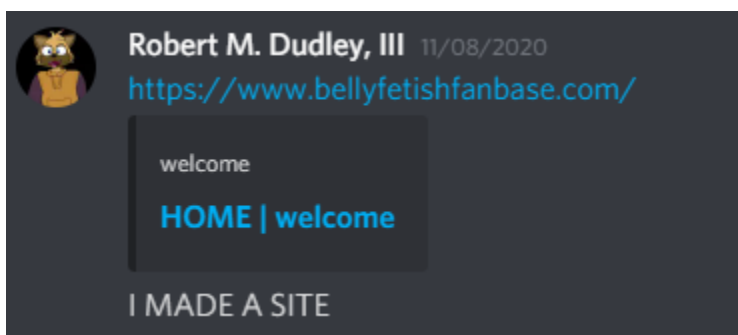

At one point, he tried to fake disappearing from Discord, it could've been due to the drama, or a different situation involving someone else, but it's still notable.

Before this, however, he went by many names, as he would change it every now and then, along with his PFP.

### ***SUB-SECTION 5: His own website, apparently.***

From what I know, he actually got a domain, and from what I can remember, it still works. [As of 1/5/2022]

## ***SUB-SECTION 6: VRChat, and NeosVR***

Robert has a big collection of VR headsets, very good quality ones too. He plays VRChat a lot more often, but that may be different now. I can remember seeing him using an inflatable avatar, showing me how it worked and everything. I can't really say much about this, as there isn't much information about that.

## **SECTION 2: Confrontation**

How this whole situation even blew up in the first place was when I grew suspicious of him a month or so before the initial drama, so did me and my friends group.

I originally tried to ask him the question of “Why?”, but at first he avoided the question.

This interaction only made the suspicions worse, and it only got even more worse from then on, when he said that he wouldn't get me art from an artist

I loved, after asking a question on why minors were on his servers in the first place. This escalated into an argument, where he also tried to guilt trip me after simply saying “Okay, goodbye.”.

If this transcript is unreadable for you, the whole thing is in the document base at the bottom of t

**Bandit** Yesterday at 6:40 PM

So I have had a question ive wanted to ask for a while now. (edited)

I've noticed that in almost all of the servers that you've invited me to the entire time we have known each other

That there are alot of people that are underage. Many of whom youve RPed with and some even do porn. Not to mention one had a relationship with you and did multiple ERPs with. (edited)

So I wanna ask; Why did you allow them in, knowing that its not a good idea?

**Bandit** Yesterday at 6:49 PM

Youre 20, nearing 21. (edited)

**Robert M. Dudley, III** Today at 8:38 AM

?

Wait, who?

**Bandit** Today at 8:40 AM

People like [REDACTED]

**Robert M. Dudley, III** Today at 8:41 AM

Well first off, we live in the same state

**Bandit** Today at 8:41 AM

I've watched you ERP with her even tho she's 16

**Robert M. Dudley, III** Today at 8:41 AM

And the AoC here is 16,

So that's safe.

**Bandit** Today at 8:41 AM

Well just becuae you can doesn't mean you should, that's still looked down upon

All I'm saying

**Robert M. Dudley, III** Today at 8:42 AM

Bandit, I do not have the energy to talk about this right now.

**Bandit** Today at 8:43 AM

Mk

**Robert M. Dudley, III** Today at 8:45 AM

Fun Fact:

**Bandit** Today at 9:00 AM  
Nice.

**Bandit** Today at 9:58 AM  
Well let me know whne you have the time to talk.

**Robert M. Dudley, III** Today at 9:58 AM  
I can talk.

**Bandit** Today at 9:59 AM  
So we can resume talking about the topic before?

**Robert M. Dudley, III** Today at 9:59 AM  
Sure. I guess.

**Bandit** Today at 10:01 AM  
Alright. Lets take [REDACTED] for example, I can remember multiple people who were >18. Its why I left it.  
Why were there minors there in the first place.  
Minors or >18

**Robert M. Dudley, III** Today at 10:01 AM  
That's fair.  
I'm upping security now, so.

**Bandit** Today at 10:05 AM  
Well thats good, but what about the RP's you've partaken in with >18. (edited)

**Robert M. Dudley, III** Today at 10:07 AM  
I'm confused with who else you mean.

**Bandit** Today at 10:08 AM  
I cant really remember everyone from [REDACTED] but I can remember some that were underaged.

**Robert M. Dudley, III** Today at 10:09 AM  
I'm not sure who you mean then.

**Bandit** Today at 10:09 AM  
Hm.

**Bandit** Today at 2:08 PM  
Well regardless of the fact that AoC is 16 in Philly, you really need to consider the fact that you are 20 and almost 21 now, that is a 4 year difference.

**Robert M. Dudley, III** Today at 2:10 PM  
I was going to get you art.

**Bandit** Today at 2:10 PM  
From who?

**Robert M. Dudley, III** Today at 2:10 PM  
[REDACTED]

 **Bandit** Today at 2:11 PM  
Dunno who that is.

 **Robert M. Dudley, III** Today at 2:11 PM  
I'm not going to now.  

 **Bandit** Today at 2:11 PM  
Okay? You dont need to be an ass all because I am just advising something that you should really do.

 **Robert M. Dudley, III** Today at 2:12 PM  
Okay, and I'm trying to move on from other things as well.  
So this just stockpiles onto that.  
For the moment I'm gonna go silent so I don't say anything else that'll cause harm to me or you.

 **Bandit** Today at 2:13 PM  
Why are you trying to move on from this? And why are you trying to change subject so quickly? All I asked is why are there minors in your servers.  
It can be all over with if you tell me. But you're choosing to hide what you wanna say.

 **Robert M. Dudley, III** Today at 2:13 PM  
Because I've heard this bullshit before.  
There.  
Now leave me be.  
Have a good birthday.

 **Bandit** Today at 2:14 PM  
How the fuck is it bullshit to advise not to have minors in a fetish server-

 **Robert M. Dudley, III** Today at 2:14 PM  
Have a good birthday.  
I've said I'm fixing it.  
Now go and have a good birthday.  
I'm gonna have to unfriend you if you want me to fix this to the fullest extent.

 **Bandit** Today at 2:19 PM  
Okay.  
Have a good day, Rob.

 **Robert M. Dudley, III** Today at 2:19 PM  
You're joking, right?  
You're fucking joking.

 **Bandit** Today at 2:20 PM  
If youre gonna be a asshole to me over a simple question so be it.

**Robert M. Dudley, III** Today at 2:20 PM  
It's not simple in my eyes.

**Bandit** Today at 2:20 PM  
It should be yet you wanna avoid it.

**Robert M. Dudley, III** Today at 2:20 PM  
BECAUSE I'VE BEEN TRYING TO FUCKING FIX IT FOR THE LAST MONTH.  
I AT LEAST HOPED YOU WOULDN'T SAY "bye".  
I AT LEAST HOPED YOU'D INTERVENE.  
But no.

**Bandit** Today at 2:21 PM  
Im gonna be honest with you, im tired of youre fucking additude towards us.

**Robert M. Dudley, III** Today at 2:21 PM  
ATTITUDE?

**Bandit** Today at 2:21 PM  
You act youre better than us or some shit and I am tired of it.

**Robert M. Dudley, III** Today at 2:22 PM  
You got one too. EVERYONE DOES.

**Bandit** Today at 2:22 PM  
Me AND the friends group are.

**Robert M. Dudley, III** Today at 2:22 PM  
And I'm not better.

**Bandit** Today at 2:22 PM  
Bitch please.

**Robert M. Dudley, III** Today at 2:22 PM  
I really wished it wouldn't come to this.  
I really didn't.  
But I'm gonna miss you.  
You're a good guy.  
And I do wish you well,  
And a happy 18th.

**Bandit** Today at 2:24 PM  
Thank you

### **SECTION 3: Past Exposure/Drama Regarding Robert.**

A bit of lore, if you will.

Robert used to be in a relationship with a 15-16 y/o, who he bought NSFW art for, ERP'ed with, the list goes on.

When they both split, it all went hot, and Robert stated that he was innocent, and was instead the victim of the whole debacle. While both are maybe not innocent in this situation, since both were voluntary, at least the minor owned up to his mistakes, Robert still states it is instead the minor and anyone else on their side who is wrong.

Robert managed to persuade me [Bandit] into thinking that he was innocent also, along with many others, from there, that is what started the drama between the two. I will not go into much detail on what was done between both since it does not really relate to this doc. Maybe I could have opened my eyes earlier, but it would not have made much difference, this first bit of drama went cold for a long time. We are here to bring it back out into the light.

He had tried to make up for it by trying to ERP with them. What a genius.

Yesterday at 12:57 AM

I'll inform you:

He tried to erp with me AGAIN

Even after refriending me previous month.

**Bandit** Yesterday at 12:57 AM

WHAT

Yesterday at 12:57 AM

He just doesn't seem to stop

**Bandit** Yesterday at 12:58 AM

ARE YOU KIDDING ME?!

Yesterday at 12:58 AM

I'm not.

I'm tiddy sprinklers fucking not kidding

**Bandit** Yesterday at 12:58 AM

I thought he had beef with you tho???

Yesterday at 12:58 AM

He wanted to patch things up

**Bandit** Yesterday at 12:58 AM

By erping.

Yesterday at 12:58 AM

Yesterday at 12:58 AM

I'd rather date a 18 year old.

A 2 year age gap is way better than a fucking.. 6 year age gap

**Bandit** Yesterday at 12:59 AM

How old are you rn?

Yesterday at 12:59 AM

16

**Bandit** Yesterday at 12:59 AM

WAIT

SO HOW OLD WERE YOU WHEN YOU DATED ROBERT??

Yesterday at 12:59 AM

It was a sin I committed.

Around 15

**Bandit** Yesterday at 12:59 AM

Ah okay so that confirms it was 15.

Yesterday at 12:59 AM

I wasn't aware of the bad things he did

He better not come to me anytime soon asking for more "ass"

Cuz it belongs to a better person. Not a fucking pedo

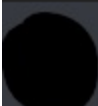

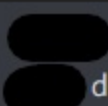

He even tried to make me unban him from [REDACTED]

And told me tha [REDACTED] is a piece of shit liar

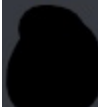

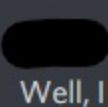

Bro, shut the fuck up robert

My bae never lies to me. He always shows true love..

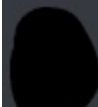

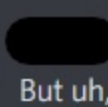

And Robert is full on pedophilia.

  Yesterday at 1:02 AM  
did absolutely nothing wrong. He's a good derg

 **Bandit** Yesterday at 1:02 AM  
So could you tell me what happened with him and 

  Yesterday at 1:02 AM  
Well, I informed  about his actions  
Boom  
Instant believe.  
So he does trust me fully too

 **Bandit** Yesterday at 1:03 AM  
Well what even caused the beef between the two?

  Yesterday at 1:03 AM  
But uh, I'm not letting Rob in the group anytime soon

 **Bandit** Yesterday at 1:03 AM  
Good.

  @Bandit Well what even caused the beef between the two?  
  Yesterday at 1:03 AM  
..rob being a pedo to me?

 **Bandit** Yesterday at 1:03 AM  
Ah okay  
I thought it was something else, sorry.  
So Rob started to spew shit about  because he stood up for you?

  Yesterday at 1:04 AM  
 protected me, he was right  
Robert is wrong fully  
I chose the best bf.  
Don't want to date a pedo

**Bandit** Yesterday at 1:32 AM

Well, are there any things he sent you while you were in a relationship with him?

Yesterday at 1:33 AM

He didn't send irl stuff

He did give me robux and stuff.. probs to manipulate me

**Bandit** Yesterday at 1:33 AM

Any NSFW art?

Yesterday at 1:33 AM

Yes

**Bandit** Yesterday at 1:33 AM

Sexting? Obv ERP was involved

Yesterday at 1:33 AM

He didn't care about the age gap at all..

Yep

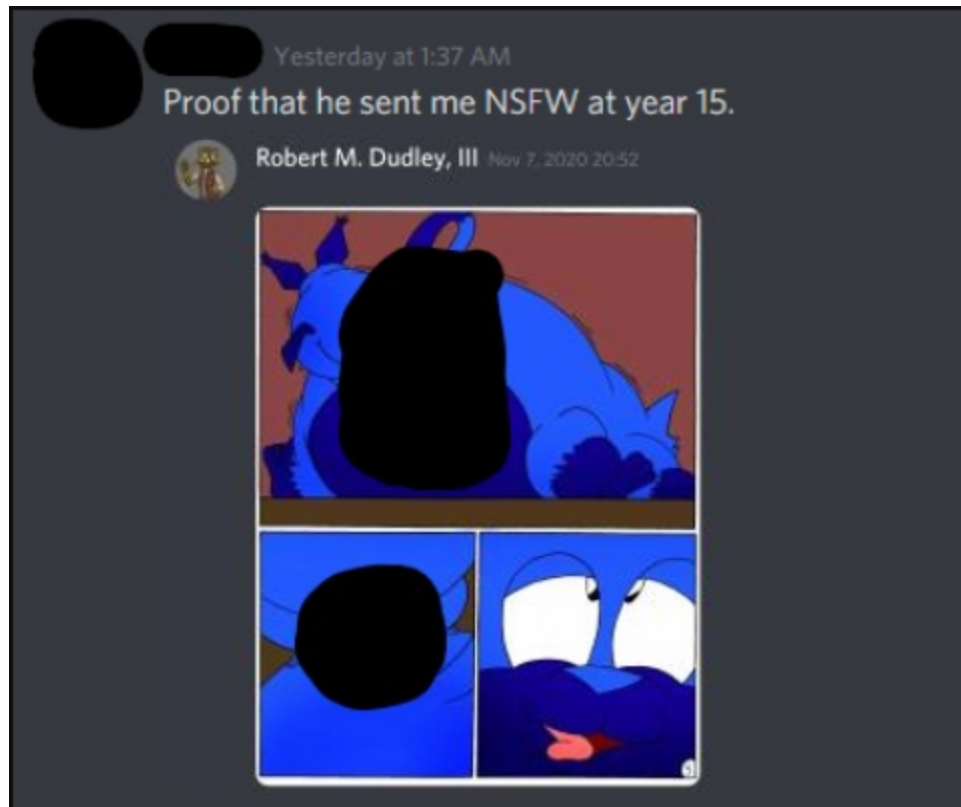

**Bandit** Yesterday at 1:33 AM

Smh.

Yesterday at 1:34 AM

He's disgusting.

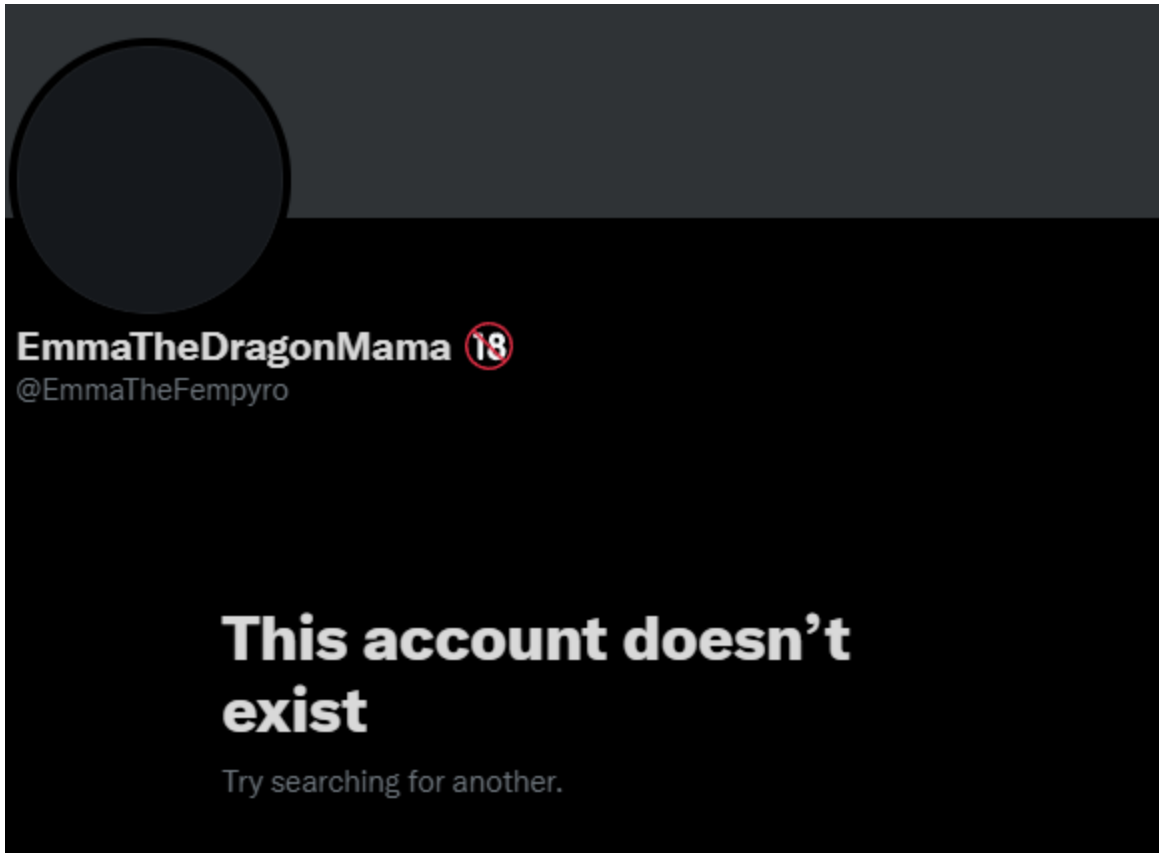

08/29/2021  
jesus fucking christ  
yeah, he really makes me feel uncomfortable even if i'm 18  
i noticed a 16 year old has access to nsfw in his new server as well which raises more red flags  
not sure if he knows, but the 16 year old is dating someone in their early 20's iirc (not robert) and they def know  
i think the whole group is full of creeps  
those servers alone make me feel kinda sick  
because probably like 3/4 of ppl in them are under 16  
honestly, fetish communities are pretty much mature, or even adult spaces

#### **SECTION 4: His community**

Before I [Again, Bandit] left his groups and the friend groups he was in, I noticed that quite a few were minors, ranging from 16-14 or sometimes lower.

There have been a good few that he has good connections with. One is named Emma, a popular SFM Artist. They originally had a twitter, but it seems they disabled it. This tweet I am linking will explain it a bit better.

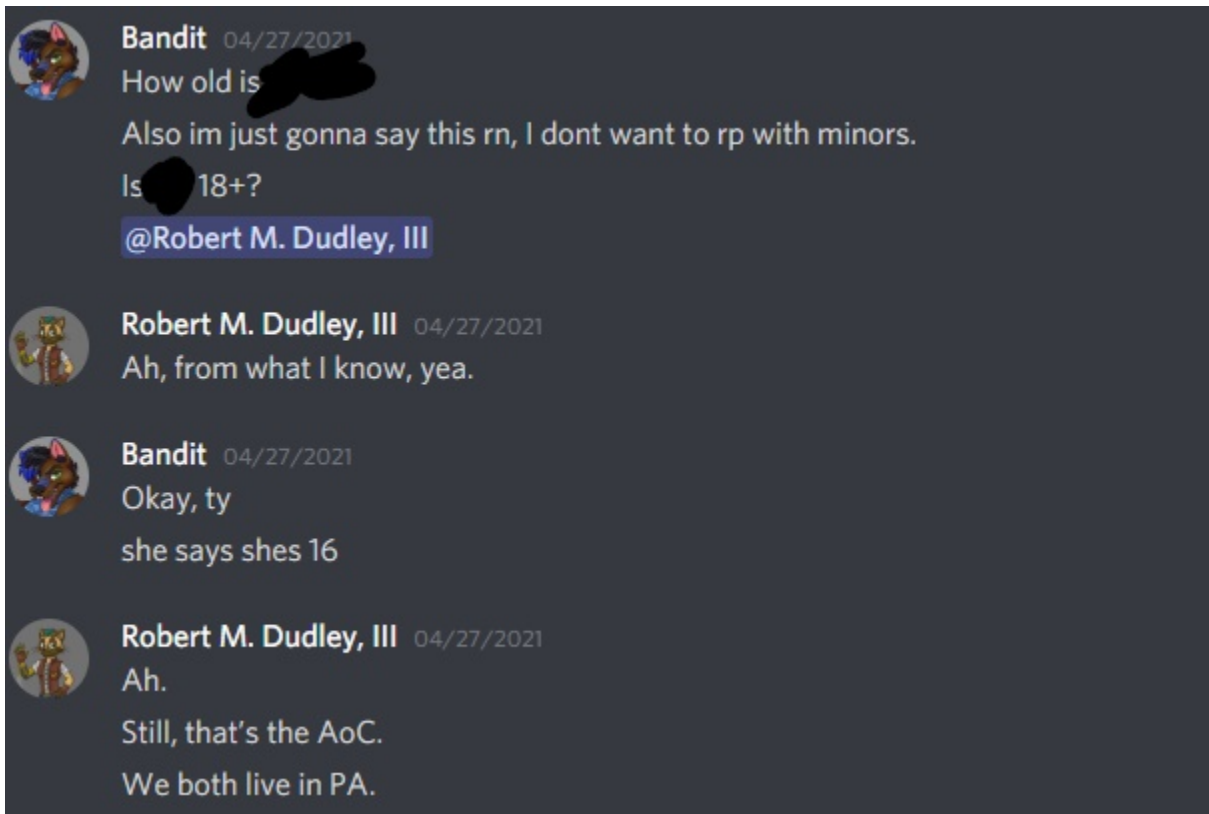

<https://twitter.com/SagieTheFempyro/status/1463713040885370888>

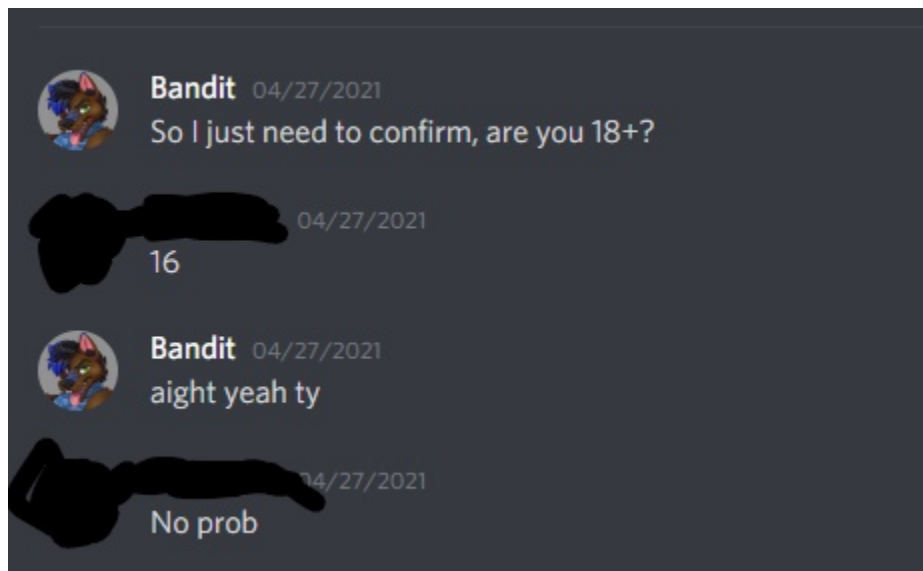

This next one is one of the many he has ERP'ed with. I will not mention their name, as with anyone else to protect their privacy.

Robert resides in Philadelphia, so the AOC there is 16, Robert used this to his advantage. He uses this as his defense to why he ERP's with said person, because they also reside in Philadelphia. But the problem is that this extends to other states with anyone else, or even outside of the US to some degree. The AOC isn't the same everywhere.

He has managed to still keep a number of people on his side, primarily the ones who just want to stay out of the drama, or anyone who still thinks he is innocent.

Said person's Dms.

## **SECTION 5: Robert's Connections**

Robert has connections with many artists, and has gotten a large amount of commissions, from multiple artists.

There are so many artists that I can't message or get a response from, so it is in our best interest that the word is spread to any artists, or really anyone that is unaware of this.

While we have gotten the attention of quite a few, including a few that had a skin for him in their own games, which was then removed, there are still a lot out there that don't know.

## **SECTION 6: Arrogance.**

We included this because it shows some of his true colors. Robert is a rich kid that does not have a job, and lives in his parents home, living off of their earnings that they give him.

That is not the bad part, though. The bad part is the fact that he tends to be an asshole, to put it as friendly as possible.

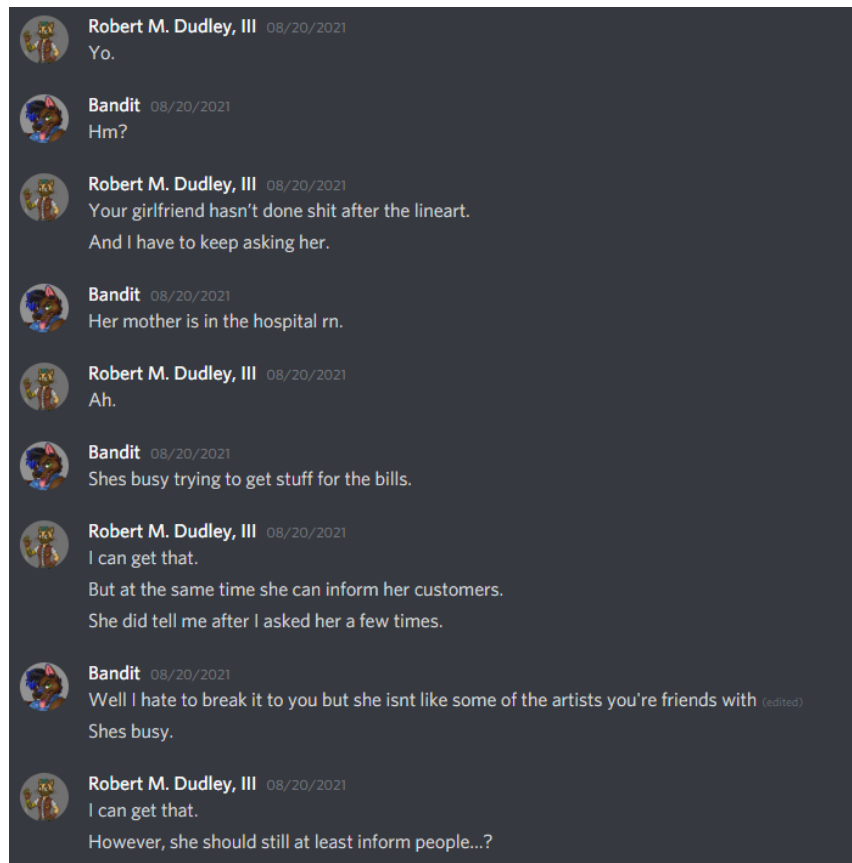

My [Bandit] own experience, which is what truly pissed me off, was when my girlfriend was having to work up money to pay for hospital bills for her family, as her mother was in the hospital, she began to suffer from internal bleeding and had to be moved.

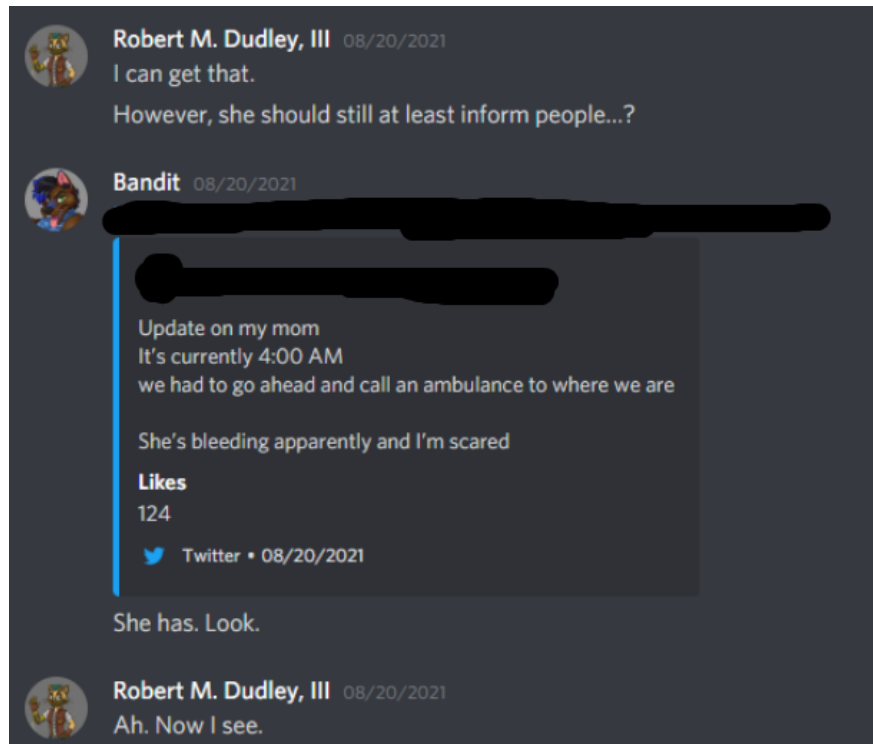

Keep in mind, she is an artist who does Sonic art, and makes decent money off of it.

During this time he came to me and complained that it was taking too long, also complaining that she should "At Least inform people."

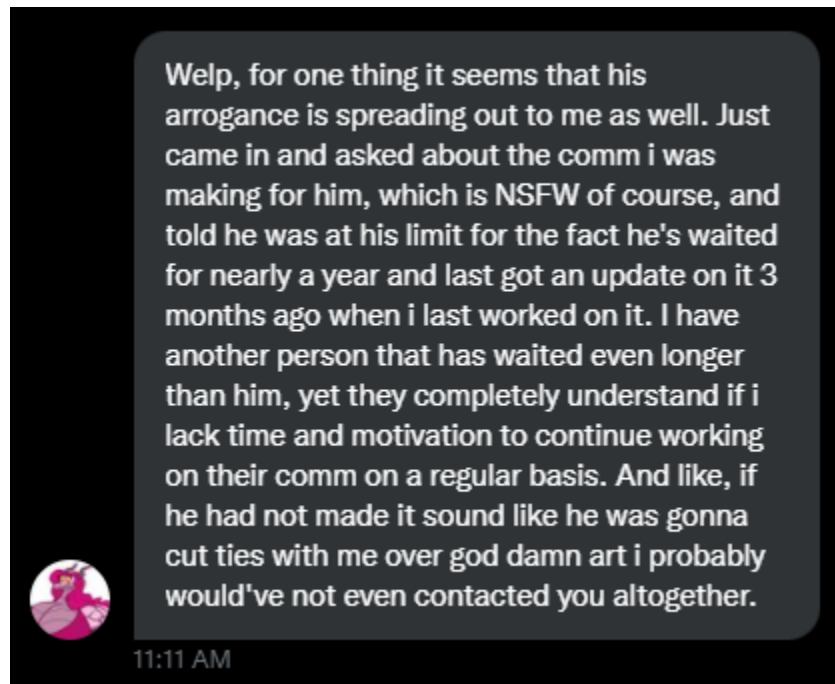

I would write a rant here about that moment, but I will refrain from that because this is a doc about him. All I can say is “Fuck you.”

The good news is that her mother is fine now, but that moment where he came to me bitching about that will stick with me for a while.

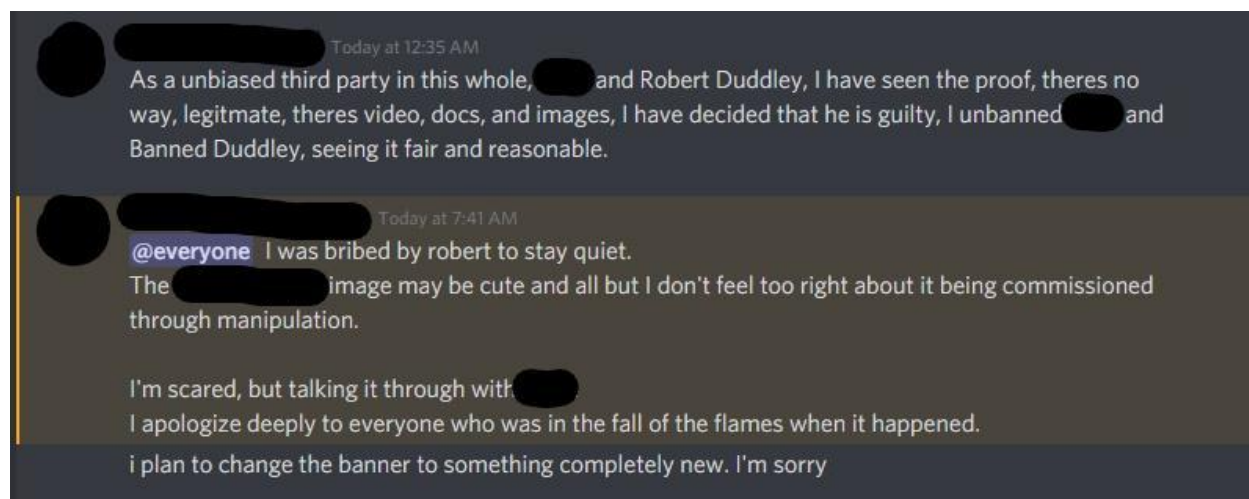

There was another situation like this involving Emma, Robert threatened to cut ties with them after saying that he was on the edge with waiting, as he was waiting for a whole year for some NSFW art from them. The funny thing is there was another person in line that waited for much longer, but was perfectly fine, and told her to take her time.

### **SECTION 7: Hush Money.**

This also shows his true colors. He tried to guilt me into taking back what I asked him originally, and I thought he would do it again at some point, and he did.

It turns out he tried to bribe someone by the name of Danno to stay quiet on the drama in hopes of getting out of it, when it backfired spectacularly, and he ended up getting banned from the server.

## SECTION 8: Robert, and a friend of ours.

***[This is Sauce's entry]***

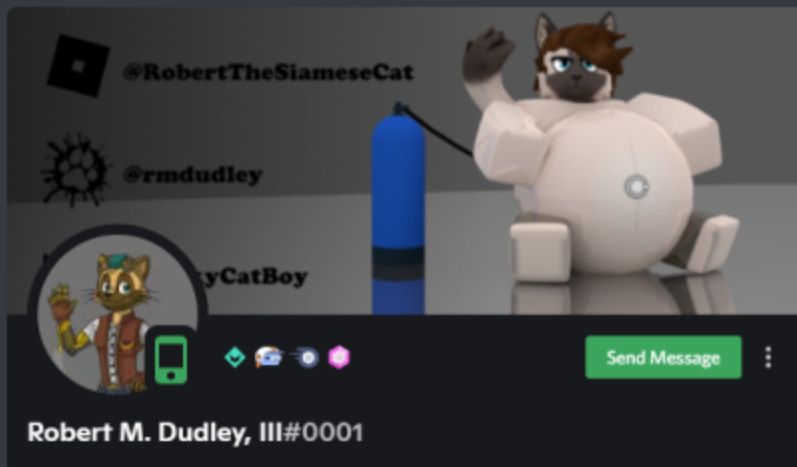

According to one of my friends, while discussing Robert, Robert had allegedly harassed one of my friends. Here are the images that were shared with me.

## **SECTION 8: IRL NSFW Content**

This is revolving around me, Bandit.

I usually never feel uncomfortable, I have seen a lot of shit, to put it in a way. But these two times were when I was truly uncomfortable. Robert is into IRL inflation, which is basically just begging to be hospitalized or dead.

IRL Inflation is very dangerous, as people have died doing it before. I'll spare the details, but it's not a pretty way to go out.

In the first, which I think is the worst one, he sent me physical pictures of his stomach inflated. I asked him to delete said pictures which he did, but my point still stands that he sent me it.

The second one is when he was teasing that he was going to do it again. Again, I felt really uncomfortable, I never like IRL stuff in that sort of context.

I will also mention that I was 16 in the first picture, and 17 in the second.

I think this is one of the worst offenses here. What worries me is the fact that he may have shared this with other people, and no one knows except him.

**Robert M. Dudley, III** 03/14/2020

Bandit, ya know how I always wanted to inflate in real life?  
Well uh

**bandit [New account Bandit-9293]** 03/14/2020

## **SECTION 9: Robert Confessing Love to a 12 y/o with Autism**

On the topic of the worst offenses, in the images below, you see that he was confessing love to a 12 year old, while he was 20, that is an 8 year difference right there. Not only confessed love to a autistic 12 y/o, but also ERPed with them, and got suggestive/NSFW art of them.

Absolutely disgusting.

Great view, honeybuns!~

## **SECTION 10: Robert Abusing Team Create.**

For those who do not know, ROBLOX has a feature called Team Create. This allows multiple people to work on a place all at once. But there is a catch, every singular update is saved to the place. So this means that if you spam in a ton of NSFW models, and then spam report said place, not only will the place get deleted, but so will the person owning said place.

This is exactly what Robert did to this victim.

All because said victim wanted to dissociate from the group, a group that partakes in NSFW activities on a site that is loaded with minors.

So this one lost his entire account because Robert threw a fit and wanted to hit back, quiet dirtily, I may add.

Sep 6, 2021 7:20 PM

Because developing on roblox has become pointless and I'm tired of inflation being mixed with minors

Sep 6, 2021 7:20 PM

I know how you feel

Sep 6, 2021 7:21 PM

So I'm stepping away from all of it

Sep 6, 2021 7:21 PM

Understandable

Sep 6, 2021 7:21 PM

And removing the server for that reason

Sep 6, 2021 7:21 PM

Mhm  
At least you won't get accused of being a pedophile or worse because of how dumb people think or other people act towards an Amazing game that you and robert made

Sep 6, 2021 7:23 PM

Robert didnt make shit  
It was all me, and only me  
I left puffblox because Robert is a disgusting man child that needs to grow up

Sep 6, 2021 7:24 PM

Oh, sorry  
I see

Sep 6, 2021 7:25 PM

And he thinks its perfectly fine to mix children with inflation  
I left once he said that he wouldnt make the server 18+

Sep 6, 2021 7:25 PM

... thats some political shit right there, keep going

Sep 6, 2021 7:26 PM

and after I did... He dumped loads of nsfw models into the game for no reason

Sep 6, 2021 7:26 PM

...

Sep 6, 2021 7:26 PM

Like I don't even think it was out of spight or anything  
he literally just wanted to have random nsfw sequences all over the streets of the game  
He has a serious mental problem  
it also lead to my account getting banned]

Sep 6, 2021 7:27 PM

Sep 6, 2021 7:28 PM

Sep 6, 2021 7:28 PM

Sep 6, 2021 7:28 PM  
And i thought he had one considering the fact how very busy he was, but i was wrong  
Thanks for telling me about this

Sep 6, 2021 7:31 PM  
I've given him so many chances  
but literally the only way to change him is his parents doing something about him

Sep 6, 2021 7:32 PM  
Mhm

Sep 6, 2021 7:32 PM  
At this point I dont even care about him anymore

Sep 6, 2021 7:32 PM

Sep 6, 2021 7:32 PM  
I dont have any grudges

Sep 6, 2021 7:25 PM  
He is 21 and lives off his parents. They give him money and he spends it all on games and porn

Sep 6, 2021 7:25 PM  
Yikes

## **SECTION 12: “Blackmail”**

Robert thinks that we blackmailed him when we initially confronted him about the whole thing, even though it was to simply give him a second chance at redeeming/saving himself.

...

The sickening part about this is that the people who made it BLACKMAILED MY AUNT AND MOTHER. And this shit's outdated and slander from September. So I'm calling your damn bluff, shut your trap and move on you drama queen cunt.

Message SAUCE LOCATED, Bandit

Because Robert's fursona name is his actual, full name. It wasn't hard to find his facebook, or his parent's facebook. Our intentions were to alert his family members of what he is doing, nothing else. Sadly, none of them would actually listen, if they even picked up the call.

We will not disclose the names, nor will we find any sort of harassment of his family members acceptable. If you go out of your way to harass them, you're a piece of shit, end of story. They are not involved, and probably don't even know what is going on.

There are other people with their own expose pieces about him, I will link them below. Some are old, but maybe that's a good thing, more light on more information.

This is the end of the exposure document so far. Maybe it will grow more at some point, once again. There is more information I have a-hold of, but I am holding it back only because I care about the quality of this document.

Either way, I thank you if you have fully read the whole thing. I want to thank my best friend, Sauce, for helping with organizing this whole document, and I also want to thank not only Sauce but anyone who spreads this document around. God Bless, and God Speed.
