Rhetoric: Rhetorical Devices

Select and read a speech that is at least 1,500 words in length.

Annotate the speech and then answer the following questions in well-developed responses.

1 - In your own words, what is the speaker's argument in this speech?

2 - What specific rhetorical devices does the speaker use and how do these devices help develop the argument? Be sure to identify specific examples of devices and explain the role of each within the speaker's argument.
