

(prospects name) You Are Doomed To Fail

You are doomed to fail if you keep struggling to get people to request for your 1-on-1 coaching program and purchase your boxing workouts.

The struggle of having to watch your competitors outcompete you and take YOUR customers.

That struggle is never going to go away unless you take action and get people to take action on your products.

You'll be struggling to handle the amount of 1-on-1 coaching requests that you'll be getting after I show you how you can increase interaction with your page.

Your Instagram account's engagement with the readers is as lifeless as a tombstone."

All you need is 3 short-form boxing posts on your Instagram, and your sales will blow through the roof.

Here is a free short-form boxing blog that will get you going.
