

**Young Scholars of Central Pennsylvania Charter School
Board of Trustees Policy**

PHYSICAL EDUCATION POLICY

Physical education services, specially designed if necessary, must be made available to every child with a disability receiving FAPE, unless the charter school enrolls children without disabilities and does not provide physical education to children without disabilities in the same grades to the extent allowed by applicable laws and regulations.

Each child with a disability must be afforded the opportunity to participate in the regular physical education program available to nondisabled children unless the child is enrolled full time in a separate facility; or the child needs specially designed physical education, as prescribed in the child's IEP.

If specially designed physical education is prescribed in a child's IEP, the Young Scholars of Central Pennsylvania Charter School must provide the services directly or make arrangements for those services to be provided through other public or private programs.

The child with a disability who is enrolled in a separate facility must receive appropriate physical education services.

**TO THE EXTENT THAT ANYTHING IN THIS POLICY COULD BE
CONSTRUED TO CONFLICT WITH THE SCHOOL'S CHARTER OR
APPLICABLE STATE AND/OR FEDERAL LAWS, THE APPLICABLE STATE
AND/OR FEDERAL LAWS AND/OR CHARTER CONTROL.**
