

Roblox Commissions Rules and Information

Thank you for looking into commissioning me! I truly appreciate any kind of support!

Though not required, I heavily recommend reading through this document to cover all of our bases and to make communication easier :)

Requests I Will Not Take.

Any kind of;

- ★ NSFW
- ★ Furry Art
- ★ Heavy Gore (Light blood, etc, is fine.)

I am allowed to decline a commission offer for any reason whatsoever! (but that's not going to happen bc y'all are awesome and not creeps.)

Pricing

Pricing can vary if you choose a special request!

For Roblox comms, obviously, you will pay in robux.

Donations + Tips are *highly appreciated* but **not necessary!**

I will ask for payment after the initial sketch stage. If you do not like the sketch, I will go back in and fix it until it fits your liking.

After you give me the green light, I will ask for you to pay for your commission. This is simply to avoid scammers and is just a safety precaution, please don't take it personally.

To pay, buy the gamepasses according to your final total in the link below!

Timing/When will my commission be completed?

Please remember that I am in school currently, I have a social life and my family, sports to prepare for, hobbies, etc. It might take a little while to get your commission done, depending on what you asked for.

However, it is *highly* unlikely your commission will take more than two weeks to be completed!

For sketches with no color at all + colored ones, it is likely that those will be completed and sent to you either the day of, or the next day!

For simple shading it could take a couple of days depending on how many commissions I have.

Rendering is my most time intensive process so that is likely going to take a couple of days to a week, depending on my schedule and work flow, and how detailed the piece is!

Post Permission

In the form, I will ask you if you want your commission to be posted or not.

I **WILL NOT** post your commission if you don't want me to. Don't feel bad.

If you're okay with me posting it, I may or may not post depending on my video plans, and there is a chance it might not be posted at all.

All posted commissions will have a watermark in the middle, but the final product sent to you will not.

Thank you!

If you have any questions or concerns, let me know while we are discussing your commission plans!

I SOO appreciate you taking the time out of your day to read this! Thank you!!
