The school provides oboes. Parents must insure any school-owned instrument checked out to their child. It is recommended that you add the instrument onto your home-owner's or renter's insurance.

We will distribute school-owned oboes at KMS by the third week of school.

It is the policy of the Kealing Middle School Band that no students should be denied the privilege of any activity due to financial hardship. Arrangements can be made with the director for those students who are in need of such consideration.
