**Notes/Questions:**

- What kind of ticket solutions are people using? Tickets can be a curtain between researchers and facilitators, but metrics count
- Models of organizational response:
  - Centralized Services
  - Hub-and-Spoke
  - Mesh
  - Consortial
- How do institutions identify fellow travelers and make them aware of what's possible
  - Cross-cutting interest group
  - Working groups or poster sessions
  - Integrate with faculty
  - Creating a catalog of available services

We are recording this session. It will be posted on the YouTube channel (will send/post link).

## **CaRCC Emerging Centers Call Schedule**
