LIGHTS UP

Jack and Aaron are seated at a restaurant booth with Waitress writing order on her pad of paper.

JACK

I do have a question about the breakfast special. Is there a chance you'd like me to buy it for you tomorrow?

WAITRESS

What?

JACK

You know...after tonight.

WAITRESS

You mean after we sleep together?

JACK

Ha. Us. Sleeping together. That would be funny.

WAITRESS

Is that what you are asking me?

JACK

Maybe.

WAITRESS

Look dude, I got a lot of tables. Don't be weird.

Waitress leaves shaking her head.

AARON

Nice. Work.

JACK

I'm telling you man, we almost slept together! What about her?

AARON

Alright. Watch and learn.

Aaron walks over to woman reading at the bar.

AARON
I see you like reading.

LUCY
Excuse me?

AARON
Well maybe you could read me a bedtime story. And then tuck me in.

LUCY
Fuck off.

AARON
Alright.

He returns to table and hi-fives Jack.

AARON
I'm telling you what, I'm a pro.

JACK
Well just bear witness to this.

Jack walks over to a mother.

JACK
Would you adopt me?

Aaron nods head and gives big thumbs up.
