Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

Can-Do Statement:

Part 1: Create

Using the points of نشاط التحليل and the vocabulary and grammar relevant to you from المفردات والقواعد, write a resume for yourself - in Arabic! Include the kinds of things you'd typically see on a resume for a job in the Middle East.

please note you do not have to share your personal information! You can invent things about yourself if you wish, or create a resume for a fictional character (such as Loki) if you prefer.

Part 2: Share

Share your resume with a classmate and get feedback. Take a look at other classmates' resumes and give feedback on their resumes as well.
