

I Want to Sing in the Choir!!!

We are very excited to start up a choir here at SLPC to sing for the holidays. It has been a few years since we have had a choir and we would like to know who is interested in being part of this.

NAME: _____

E-MAIL: _____

Cell: _____

VOICE PART: (Circle One) Soprano Alto Tenor Bass

Check the statement that most closely indicates your vocal music reading ability.

_____ I sight read music well.

_____ I read music but need some time to work on it.

_____ I don't read music but pick it up quickly.

_____ I don't read music, but am fine if I have someone to follow.

_____ I don't read music but would like to learn how to sing in a choir .

Please describe any experience you have had with choral singing.

What do you think about having a choral training practice where we would use hymns to teach and practice singing in four part harmony? Is this something you would attend? (We would need experienced singers to help teach those there to learn.)

Please list any other musical experience and talent you have including instruments you play.
