

Terms Of Service

- I reserve the right to deny any commissions with or without reason.
- I reserve the right to post my work on my social medias and use such art for advertising purposes. (I will ask beforehand incase your commission is a surprise gift or something :))
- Characters with complex and/or anatomy designs will cost extra.
- If there's any minor mistakes made (ie. missed details that were clear on the reference image(s)) once a commission has been completed, I will fix them free of charge. I will NOT make changes if it was a detail that wasn't mentioned or wasn't clear in the references unless you pay for the adjustment.
- Major changes to pose must be stated during the sketching progress. These types of changes will not be made after your sketch has been approved.

Payments

- All payments are expected upfront through Paypal invoices in USD.
- Split payments are allowed on orders of \$150 or more.
- I do not do free art, all art for others are paid. The only exceptions are for Giveaways and Art Fight. (commissions will take priority over these.)

Turnaround Time

- I work a real full-time job during the school year (August through May). I also have a chronic and severe autoimmune inflammatory disease that can get the best of me at

times and can result in hospitalization. If something unexpected comes up, you will be notified about my situation as soon as possible.

- My turn around time tends to change frequently, but from the moment I state that I am beginning your piece or have sent you a sketch, you can expect a turn-around time of 1 Day to 4 weeks for most pieces. Art that includes complex backgrounds can take anywhere between 2-5 months depending on the amount of detail. Rushing me/pressuring me will not get your order out faster.
