

SUPPORT SERVICES

Policy 5660 RIV
(Regulation 5660)

Transportation

Field Trips

The use of bus transportation services for field trips may be authorized from Board of Education appropriated funds budgeted for field trips if approved by the Superintendent/designee.

Transportation services may be provided for school related activities provided the sponsoring organization pays the cost. The Superintendent/designee will approve such requests based upon the availability of buses and drivers.

Board approval is required for trips over 100 miles.
