Subject: Recommendation

Dear Mr/Ms {Recipient's name}

As the {Title} of {Company name}, I would like to recommend {Candidate's name} for the position of head environmental engineer at your organization. He/She has a {number of years} years experience in the field and has worked for {number of years} in our company. {Candidate's first name} has been one of our best assets in this organization and has worked under my supervision for a long time now.

{Candidate's first name} was given an award for the Best Employee in the year 20XX due to his/her scintillating knowledge and skill in the field of environmental research and innovation. He/she has helped us in numerous ways to treat the extensive waste in a scientific and economically viable manner. {Candidate's first name} specializes in water purification and his/her work speaks for itself. We were so impressed with his/her skills that we appointed him/her as a guide for the new recruits. {Candidate's first name} is hardworking, determined and an ideal employee for our organization.

{Candidate's first name} can no longer work with us due to his/her goals and career objectives, and we support him/her in all his/her endeavors. I would like to recommend him/her strongly and would expect you to consider him/her as one of
