

14 Finding somebody to interview

1. For your photo-essay, you need to interview a person who might have a main job, but who also has a role in a community association. Where can you find that person? How are you going to decide which person is the best one to interview?

Get into pairs and use the ‘pair and share’ technique to fill in the following planning table.

FINDING SOMEBODY TO INTERVIEW
Where can we find that person? At the ‘Gaztetxe’, at the church...
Which person should we choose? Somebody we know, somebody interesting...
