Summer Olympic Medal Count* (Up to August 2004)

Country	Medals
1. U.S.A.	1,975
2. Russia	999
3. Britian	615
4. France	523
5. Germany	499

*This medal count was based on the records of Agence France-Press news service and may vary from other accounts. Initially, the International Olympic Committee frowned upon national medal counts and early reports are incomplete. In fact, from 1896 to 1906, athletes registered as individuals and it was not uncommon for them to play on the teams of other countries.
