ABSTRACT – This is the template and instructions for extended abstracts. Authors are advised to read carefully the extended abstract guidelines, and follow them.

Keywords: One; two; three: four; five

1. INTRODUCTION

The extended abstract should be 2-pages in length, and fully written in English, including figures, tables and references.

The extended abstract should explain the aim and scope of your study, the materials and methods used, the results obtained and the main conclusions reached.

2. FORMAT

The structure of the extended abstract should be:

- Abstract (65 – 100 words)**
- Introduction (140 – 180 words)**
- Methodology in Brief**
- Results and Discussion in Brief**
- Conclusions (50-70 words)**
- Acknowledgement (optional)**
- References**

2.1 Table, figure and equations

Examples for tables and figures are, respectively Table 1 and Figure 1.

Table 1: Table caption

Properties	Data
xxxx	1234
xxxx	1234

Figure 1: Figure title

Equations should be labeled as in Equation (1), with a number towards the right margin, if there is more than one equation.

$$P_I = \int_{r_i}^{r_n} p_I dA \quad (1)$$

REFERENCES

References should be listed as cited in the text, using reference numbers and presented in the following format:
