

Dear Utah Businesses & Community Members,

Timpview High School is excited to conduct its annual Sub for Santa program this holiday season! We have received the names of individuals and families who are in need of assistance this season in our local community. We have conducted this program for over 40 years, and have helped thousands of families and individuals! We are reaching out to you, as prominent local business, to make you aware of this opportunity to help our community. We have many ways in which you can become involved in this great tradition!

How to be involved:

- Financial Donations (which are tax deductible)
- Donate Goods (gift cards, merchandise, coupons etc.)
- Host a day or night for a portion of the proceeds to go back to Sub for Santa
- Adopt a family (or as many families as your business would like)
- Donate school supplies for students (including backpacks, pencils, crayons, sharpeners, etc)

We are accepting monetary and/or merchandise donations. We have worked with businesses in the past in exchange for marketing to our student body of over 2,200. We are flexible and willing to work with you in anyway we can. If you have an idea of how you would like to participate, we want to hear it.

Your contribution will directly benefit children and families in genuine need in our community. The money that we receive is directly allocated to purchasing gifts and fulfilling needs. All donations received stay local! No money goes to an umbrella organization or toward overhead. You can write off your contribution to Timpview as a charitable donation. We thank you in advance for your consideration of working with our program!

Happy Holidays,

Timpview Student Government
