At Home Reading Folder

Hudson Prairie Elementary

I understand that my child will be bringing home books from Hudson Prairie Elementary to follow up the reading instruction that occurs in the classroom.

I understand that the books will be coming home in a plastic folder. I will read through the book with my child, and return it the next day if possible (so that the titles can continue to circulate throughout the school).

I understand that we are responsible for the book, and if it is lost or destroyed, the replacement cost is \$5.00.
