Whats up G's. This will be the accountability document you will use to keep yourself on track and also accountable to your fellow G's to hold up your commitment to become a Rain Maker.

Upload this to the Agoge Competitions Chat at the end of every day so we can monitor your progression and help you where you need it.

Tag me when you upload this. This will help us all better understand the situation you are in and how to help you GET WHAT YOU WANT.

What is the critical task you completed today that is moving the needle most?

- **Made social media template for client**

What were your achievements today?

- **Got another possible lead (one of moms friends)**

Twilight review on the day:

- Woke up a later than planned
- Still got my tasks don't, but it wasn't an overly productive day

Wins:

- Had a bunch of different conversations with people at catering event (matrix job), to continue sharpening my speaking skills

Losses:

- Was an average day, I want every day to be ABOVE average
- Was at matrix job for 13 hours kinda ate my time up (not complaining about it lmao)

Insights learned today and how you will apply them to hit your goal:

- It's very easy to fake confidence and being introverted is a psyop, i though i was introverted my whole life in reality I was just a pussy
- I need to limit my music intake, crazy how much time you lose listening to music

Tomorrow's tasks:

- Going to talk to client about event calendar for their website
- Go through more info from the AI campus
- Make some example insta posts for client

Any other thoughts you have on your current situation and what you need to work on:

- Keep talking to as many random people as possible about anything
- I need to continue getting better at scheduling things, makes it a lot more urgent, which is good
