You can receive regular updates on this and any topics of interest, direct to your inbox, by signing up to KnowledgeShare, our targeted current awareness service. Registration forms are available from the Library staff.

About KnowledgeShare

Our systems help to share knowledge across the NHS by connecting staff with one another. We would like to share your information with other NHS staff and students for this purpose*.

If you would like to share the results of this search, please tick the appropriate boxes (we will need you to register for KnowledgeShare if you have not already registered):

Share with other colleagues in the NHS Share with other colleagues in my organization

We would also like to contact you occasionally by email. Please tick if you are happy for us to:

- Send you information about the LKS and new publications in health and social care
- Contact you if you are invited to join a community of practice
- Recommend colleagues to you who share your professional interests

If you do not select any of these options, once registered with KnowledgeShare, your information will only be available to library staff. Privacy details are available on the KnowledgeShare registration form.

Change these settings at any time by logging in to www.knowledgeshare.nhs.uk using your NHS OpenAthens account. *KnowledgeShare is only available to staff and students eligible for an NHS OpenAthens account.
