PSAT SCHOOL DAY STUDENT SURVEY CONSENT FORM

As part of the administration of the PSAT, your child will have the opportunity to participate, with your consent, in the optional Student Survey. Your child's responses to all questions on the Student Survey, other than the required registration questions, are optional.

The survey can help:

- Give counselors and college admission officers information to help your child plan for the future. The more information they have, the more assistance they can provide to you.
- Provide information to the College Board that ensures the exam is a fair and accurate test for all students.
- Is used by the College Board for research and planning to improve our tests and services
- Contribute—combined with responses of all other students taking the same exam—to an understanding of your graduating class. This lets colleges and universities deliver programs and opportunities to serve you and your classmates.
- A primary benefit of completing the optional Student Survey is to participate in Student Search Service, which is a program that connects your child to college and scholarship opportunities that reflect your child's interests. If you choose to permit your child to complete the optional Student Survey, the data your child provides will be added to your child's College Board student record, even if you choose not to participate in Student Search Service.

Montgomery County Public Schools (MCPS) has a data sharing agreement with the College Board for the administration of the PSAT. The College Board has assured MCPS that it only shares data with eligible colleges, universities, scholarships, and educational opportunity programs that sign a license agreement with the College Board. The College Board consistently monitors these organizations' use of student information for compliance. Individual student scores are not shared through Student Search Service, and you may withdraw your participation in Student Search Service at any time. To be clear, completion of the Student Survey and participation in Student Search Service are optional and voluntary for all students.

More information on the SAT can be found here: https://satsuite.collegeboard.org/digital

I provide consent for my child to complete the optional Student Survey and participate in the College Board's Student Search Service, as part of the pre-administration process for the PSAT administration in MCPS.
