STUDENT ELECTION 2024 CAMPAIGN INFORMATION

It is imperative you review and comply with all relevant LRCCD Policies and Regulations. Click to link to LRCCD Regulation 2311, Section 5 regarding campaigning. In addition to these regulations, the following rules apply to campaigning and posting. Rules and regulations are in place to ensure a fair election process. Breaking any of the following rules may result in termination of your candidacy and/or other action. The Election/Campaign Violation Report should be utilized to report alleged violations.

Campaign Rules

- Campaigning and the posting of all materials including online may begin the week prior to elections April 23rd and will end 24 hours after the close of elections on April 24th when all materials must be removed (see Election Timeline). You are responsible for removing all of your own campaign materials.
- Your campaign should be positive and focus on you. No negative campaigning in any way, shape, or form will be permitted. Negative campaigning includes foul language, slander, interfering with any candidates' postings, or anything that may be considered illegal or unethical.
- Campaigning is not to interrupt the learning environment and is not permitted in the LRC or computer labs. Campaigning in classrooms is by instructor permission only.
- No Student Associated Council (Clubs and Events Board and the Student Senate) materials, supplies, or office equipment may be used at any time for campaigning.

Posting Rules

- All campaign postings will be through the campus campaigning link provided in the candidate orientation meetings
- All postings, including online platforms, require Student Leadership and Development approval.
- Postings in a language other than English must be approved well in advance by Student Leadership and Development.

Recommendations

- Campaigning can include social media, YouTube videos, blogs, etc. They simply need to be linked through the campus campaigning link.
