

## Monthly School Board Report

School: Middle School  
Submitted by: Heidi Stanley  
Date: 9/5/22

### Enrollment:

	6th	7th	8th	Total
Sept	155	148	151	454

Currently, the MS has 26 new students to the district and 15 that have moved out of the district.

Our year is off to a great start! Below are pictures from Day 1's photo booth and Tuffy welcoming students.

Our theme this year is "Every Child Deserves a Champion". Each month, we will be sharing the ways we are being a champion for a specific student(s).

### Implementation of Professional Development:

#### Current Building PD Focus:

This year, our professional development will continue to build on last year's PBIS and *Capturing Kids' Hearts* (CKH) implementation. Building off the PD from the inservice days and meetings with lead teams, we determined what information needed to be consistently shared with students. The lead teams worked to create a presentation for teachers to share with all students complete with a video created by students. We also created time in the schedule for the first nine days of school for teachers to meet with their Class Meeting groups to deliver the information, as well as begin team building activities. This has helped us get the year off to a great start!
