- london snowstorm
- he wished it happened in december cos it would've made him feel festive and he loves it
- it's festively wet in london most of the time
- christmas break
- he had a nice time with his fam & ate so much food
- his mums food is so good
- last year was cool cos tatinof but he didn't get to see his family so much.
- he ate an award winning christmas pudding
- watched die hard, he swear he's seen it before. it's kind of a christmas movie but not as
- much as home alone
- he's team home alone
- he had a haircut. has short sides again. not shaved. sorry lads.
- his hairdresser comes to his house now and his bathroom was full of hair
- he usually hoovers but a hair clump rolled into the corridor and the gas people saw it and
- he didn't explain it was because he had a haircut, he just didn't say anything.
- wonder what the gas people thought of so much human hair in the corridor
- gas leak
- they thought the weird smell was the carpet or a dog
- he talks more about it in tonights video
- he's not even gonna talk about the microwave thing, he's a mess.
- he hang out with a dog in new years eve.
- he didn't wash his hair today
- his hairdresser said he washes his hair too much, thats why it gets so greasy
- went to manchester, he played pokemon on the train and then went to his friends house
- for new years fun
- there were no real fireworks
- his friend got a dog (he's jealous) and it would've been scared
- dan got phil a board game called codename and something else he is showing in tonights video

- it's apparently the best game of the year
- he also got for christmas another boardgame called colt express, donuts frosted
- sprinkles hand wash and he got a piggy plant thing
- his new years resolution is to learn to take care of his plants
- he got custom vans tatinof shoes from the tatinof crew
- his mum got him fake candles cos she's scared he's gonna burn the house down with his scented candles
- he's been writing down lots of ideas for a creative project, something is brewing in his brain
- undertale finale, he had a v good time. he really loved papyrus.
- he felt like when he was reading papyrus he was like 50% papyrus inside
- he's gonna do the papyrus laugh to himself every once in a while to remember him
- he meant to say dan but it sounded like dad
- he's in an indian food mood at the moment. he's into spices. oh so spice.
- he loves the steven universe theme
- he had a dream that he was living in scotland, he was chased by this angry guys at a hotel bcos he had the wrong room.
- but then DAN'S mum called and told dan she dreamed that phil and dan were in scotland
- what to HECK that's supernatural
- he edited faster than he thought, he was an editing machine, he was in the zone, in the matrix
- his mum is obsessed with snow and as soon as it started snowing she facetimed him.
- he's googling if it has ever snowed in vegas
- it has, 4 times, latest in 2003
- when he was in arizona it was snowing and it was weird because it's a desert and they stopped at a cabin
- he wants to see la la land and arrival
- for his birthday he's gonna be with friends, he wants to go to a escape room again
- he's feeling good, recovered from the cold, but every day he wakes up with a sore throat
- he feels like he doesn't want to dab as much this year
- he dabbled one final time to say goodbye to dabbing forever
- #dabbingwithphil
- watch happy valley on netflix if you want to see how is it where phil comes from cos it's settled up north.
- next week he's gonna be on amazingphil too
- bye
