We are encouraging students to write letters over Thanksgiving break, and any student who submits 100 letters when they return will get a prize from Mrs. Diamond. If they bring in 100 written letters, let me know. For those who do 100 on the google form, attached you will see a link they can print out for their parents signature to confirm they submitted 100 letters online, which will serve as proof for them to receive their prize! :)
