An email will be sent to gauge interest and teams will be built (with possible try-outs) as determined by responses. There will be one team per age group that will participate in 3-4 tournaments including a CMYGSA-hosted tournament. Cost per player TBD, but possibly around \$100.00. CMYGSA will pay for one away tournament per team. Jerseys will need to be ordered.
- CMYGSA will participate in the Fourth of July Parade.

The plan is to offer additional concession options, have a kickball or wiffle ball game available for kids to play on New Field and there will be a 10U CM vs. CM game on Loutsion under the lights. Light Up Night will be open to the membership and community.
