

Trip Participation Acknowledgement

[Trip Name] · [Destination] · [Dates]

This trip is organised by and for friends through a Meetup group — it is not run by a licensed tour operator. Because of this, we ask every participant to read and sign this short acknowledgement before travelling.

I, the undersigned, confirm and agree that:

1. This trip is organised informally by and for friends through the Meetup group [Meetup group name], not by a tour operator or travel agency.
2. Civil liability for anything that happens during the trip rests with each participant individually.
3. Neither the Meetup group nor the trip organiser(s) can be held responsible for any incident, injury, illness, loss, or damage arising before, during, or after the trip.
4. I take part in all planned activities, including any walks, hikes, or outdoor activities, at my own risk, and I am responsible for judging my own fitness and ability to do so safely.
5. I hold valid travel insurance covering the full dates and destination of this trip, and I will carry proof of this policy with me throughout the trip.
6. I have disclosed to the organiser any medical conditions, allergies, or dietary requirements relevant to my safe participation.

Please sign below, then scan or photograph this page and email it back together with your proof of payment and insurance policy, as detailed in the event listing.
