Individual Rewards

\$5 and up - Special Credits with shout-out in all my YouTube videos through the end of 2022! This includes reactions which don't usually have credits!

\$10 and up – A special thank you card with a message from me!

\$20 – Pick a short to watch between movies! Can be anything from OG MST to RiffTrax to Gizmoplex!

\$50 – Redo a punishment! Did you particularly enjoy seeing me eat Saltines or play a song? Well, I'll do it again, just for you!

\$75 – Can pick/swap a riff! Pick any of the movies, whether it's the very next or down the line, and swap it out! Do you wanna move a riff earlier? Do you want us to add something totally different? It's up to you! You can swap one for the current stream or a future stream in the fundraiser!

\$100 – Choose what movie I review on YouTube next! I can do a full-on scripted review of whatever movie or MST3k or RiffTrax you would like! The only caveat here is that it has to be something A. YouTube will allow me to do a video on or B. Something that you'd be okay with being on Google Drive instead of on YouTube.

Rewards for Hitting Goals as a Group

Every \$50 – A round of Beanboozled! I already hate Jellybeans, so this'll be a treat! XD

\$100 – I'll Dress as Dr Forrester! As soon as we hit this goal, I'll be dressed up for the rest of the stream!

\$200 – Saltine Challenge! I'll try to down 6 of the worst crackers ever invented in 60 seconds!

\$250 – I'll Play/sing Creepy Girl on my Ukulele!

\$300 – I'll Wear a Turkey Hat for the rest of the stream!

\$400 – Warhead Challenge! How many of this citric acid covered delights can I handle at once? Let's find out together!

\$450 – I'll Play/sing Patrick Swayze Christmas on my Uke!

\$500 – Pearl Forrester Makeup! I'll do myself up like the Mother of All Forrestors!

\$600 – I'll Play/sing my MST3k Song on my Uke!

\$700 – Raw Egg Challenge! Watch me down a raw egg like a shot of liquor and see if I can actually handle it!

\$750 – I'll Play/Sing Every County Has a Monster on my Uke!

\$850 – Mystery Food Challenge!

\$1,000 – Full Whizzo Makeup! If we hit our goal, I'll go full nightmare-fuel and paint myself to look like the Christmas clown himself!

Stretch Goals

\$1,100 - Titanic and Avatar RiffTrax night! Hit this goal, and the next stream will be two of my favorite and longest riffs ever!

\$1,250 - Watch the same episode over and over! If we reach this far beyond our initial goal, I'll do a stream watching the same episode/riff over and over again. I'll put up a poll and you can decide what MST or RiffTrax tortures me all day! Yikes! (The amount of times will depend on the length of the riff.)

\$1,500 - Dyeing my hair (color to be determined) If we do an entire 50% higher than I have set, I'll dye my hair a crazy color! Now, since it'll be a home dye job, I may not be able to do the whole head. But, I'll make sure it's a significant portion! Nothing I can hide, haha!
