COUNTING TO 95

Marvin Dreyer March 2024

D A D A
Each day we repeat the Greatest Name
D A D E7
95 times, to God we proclaim.
D E A D
But how to keep track, it distracts us to count,
A D A E7 A
Here's how to ensure we've fulfilled the amount.

D A D A
Look down at your fingers, most of us have ten.
D A D E7
Count 3 times 3 on each of them.
D E A D
You're now up to ninety so what's left to do?
A D A E7 A
Five points of the star that's shining on you.
D A D A
But before beginning, wash hands and face.
D A D E7
Ablutions lead to a purified state.
D E A D
Find where to be seated, alone and apart,
A D A E7 A
Clearing the mind, and you're ready to start.

D A D A
Allah'u'abhá, ninety-five times out loud
D A D E7
Claim the hidden gifts with which it's been endowed.
D E A D
And this way of counting with ten groups of 3's
A D A E7 A
Allows us to pray and puts us at ease.
