KAM Sewing Tin - Packing Guide

There are two separate versions of the KAM Sewing Tin keycaps:

- **Original / “B-stock”** - initial production run that completed in June 2023 that had several minor but widespread issues - colours and legend sizing were different to approved samples
- **Re-made / “A-stock”** - second production run that completed in August 2023, fixing the issues in the original run

Customers should receive both the “A” and “B” stock kits for their GB orders, as well as a set of the Sewing Tin specific thank-you gifts for customers (sticker and postcard).

Additionally, Base, 40s, Ergo, Ortho, NorDe kits have 2 parts labeled 1/2 and 2/2, both need to be included (as both “A” and “B” stock).

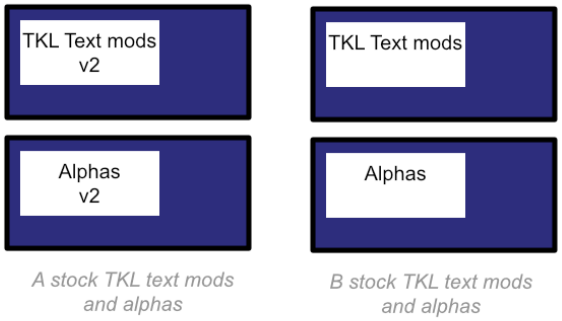

Examples:

Example order 1
