

WEGC Senior Report Meetings - Meeting Links

Kia ora koutou

This system is designed to keep a high volume of short online meetings to schedule. Teachers stay in their online meeting for the entire duration, and parents/caregivers join for the meeting time and then leave the meeting at the end. For each meeting:

1. Find the teacher your meeting is with in the list below.
2. Click on the meeting link a minute or two before the meeting time.
3. A new window will open up. Remember to check your camera and microphone are enabled and then click "Ask to Join"
