

Flora for Fauna Perennial Availability List Master

This is the list of flowering perennials and grasses grown at the nursery.

- Species shaded black are not available at the time (might be sold out, not broken dormancy, or not ready to go)
- Species shaded yellow are in limited supply
- The bloom period is highlighted with an approximation of the bloom color. White blooms are highlighted green

PERENNIALS: These species live for more than 1 year but die back to ground level in winter
