Supplies for the 2026-2027 School Year

Hello there!

I'm so excited to be working with your student this school year! Below is a brief list of school supplies that will help them during this school year. If possible, it would be best to bring them during **Open House on August 6th**, or within the first week of school.

- **1** backpack
- A backup of clothes (if needed)
- **1** bottle of sanitizer
- **2** box of tissues
- **1** small pack of pencils of any brand
- **1** small pack of color pencils or crayons
- **1** small pack of expo markers (optional)
- **1** small pack of glue sticks
- **1** reusable water bottle
- **For safety purposes, it is recommended for your student to wear closed-toed shoes whenever we go out in the community.**

I will be in contact with you if your student will need anything else. Otherwise, we will be looking forward to seeing you and your student during Open House, or at the beginning of this school year!

Thank you so much,
Isaac Lopez
