Auto IQ Pro – Services & Pricing

Have a car expert on your side of the deal. We help you get the best vehicle, at the best price, with top trade value and financing — without dealership games. You're paying for our time, experience, and expert strategy. What you get in return is clarity, confidence, and the best car-buying experience possible.

\$195 – Negative Equity Review & Strategy Call (see other link for full breakdown of session)

- Best for anyone who's upside down and unsure what to do
- We break down your current loan, trade-in value, and explore which vehicles can help you bury the debt
- You'll leave with a custom plan and a step-by-step strategy to move forward

\$299 – Live Negotiation Zoom

A 1-hour Zoom session where you learn the exact step-by-step process I've developed over 25 years to secure the strongest deals

- Live Dealer Negotiations while you watch and listen in real time
- Get Professional help navigating pricing, trade value, fees and financing
- Learn Exact strategies dealerships use and how to respond with confidence
- Lease vs. finance advice
- Custom negotiation scripts
- Hidden fee and warranty trap reviews
- One 30-minute phone or Zoom session

\$995 – Full-Service Car Buying (Most Popular)

- We handle everything from start to finish — including trade-ins and complicated situations
- Vehicle sourcing
- Trade-in negotiation
- Down payment review
- multiple dealer offer comparisons
- Paperwork review
- Deal closing guidance
- Concierge coordination
