

Mimi's Jewelry of Fountain Valley is partnering with Vocal Music Parent's Association, to bring you a new fundraising opportunity!

Do you have unwanted, broken, or outdated real jewelry, sitting in drawers at home? Many of us have these pieces laying around and we just do not know what to do with them. You will never wear them, nor take the time to get them fixed, yet you know better than to throw away anything that is a precious or semi-precious stone, gold, or silver. What do you do?

David Troung of Mimi's Jewelry has set aside a **limited number of appointments on Wednesday, 3/30** for parents and friends of our program to meet with him for an appraisal of your unwanted items. If he makes you an offer for your items and you accept, Mimi's Jewelry will keep your pieces, you will receive a receipt of the offered amount, and that amount will be credited towards your student's contribution account.

Funds in contribution accounts roll over into next year, so take advantage of this fundraising opportunity, even though the school year is almost over.
