DUAL ENROLLMENT

There are a variety of upcoming opportunities for our JumpStart students and families to learn more about Howard Community College and/or the JumpStart program. See below for important details about these events and what can be expected from each. **Note that some events are designed specifically for students who have already registered for their courses** (highlighted in yellow and strongly recommended for all students taking HCC-based courses this fall), while others will include opportunities available for students to get help with their course registrations.
