Hi **Name**,

Thought We haven't talked in a little while naturally, but I have been thinking of you lately.. I don't know what it is. Then you came up somewhere on my LinkedIn page! Too strange to pass up. I had to say hi! I hope you are well.

Update Here at (**company**) we are hard at work with so much going on. The team continues to grow and we are busier every day! The product side has been working on many background adjustments and changes in the overall functionality of the system making it more responsive and efficient.

Wishes That's all. Hopefully, you will have the opportunity to enjoy some quality time in (**season**). Do you have any big plans? Possibly a vacation, or some time off?

Wishing you all the best.
Sincerely,
