Geniventure Mission 2.3 Follow-up

After completing mission 2.3, respond to the following—

How are the ideas and information presented in Missions 2.2 and 2.3 **CONNECTED** to what you already knew from prior missions?

What new ideas did you get that **EXTENDED** or pushed your thinking in new directions?

What is still **CHALLENGING** or confusing for you to get your mind around? What questions or wonderings do you now have? Note: Your responses can be related to any of the missions so far.
