TROUBLESHOOTING QUEST #1: Magic Power Cycle

As you go through the Quest, check off each step as you complete it.

Check off	Description
	Introduction page: Reviewed the Introduction Statements and Learning Objectives and played the Basic Troubleshooting - Off and On Again Video (5:33) .
	Vocabulary page: Reviewed the vocabulary words and then played the Quizlet Vocabulary Game
	Steps page: Created a graphic organizer using a graphic creation application, like Google Drawings (flowchart example template) , or Canva , to create a graphic organizer and flowchart of the steps you would take to do a regular restart of the device you most often use.
	Steps page: Saved and shared the graphic organizer with a classmate and discussed any similarities or differences.
	Steps page: Talked with a classmate about how we would explain the 3 questions listed on the Quest page
	Completing page: If I am using the student portfolio, I added a hyperlink and a screenshot of their flowchart to the student portfolio.
	Completing page: Checked this Quest off on my 21T4S roadmap
