## August 2024 Webinar Election Engagement Campaign Sample request to candidates

Dear *Name*,

My name is \_\_\_\_\_, I am a concerned constituent in *District #/State*. I'd like to learn more about *Candidates' Name* U.S. foreign policy and global poverty. I am also a volunteer advocate with Together Women Rise.

We are very interested in the upcoming election and would like to learn more about *Candidates' Name* views on poverty. We would like to set up a meeting with them to discuss solutions to issues like malnutrition, and treatable diseases like malaria, tuberculosis, and HIV/AIDS.

Could you please find us a time to meet? Also, can you please point us to a list of public events where we can see *Candidate Name* in person?

Regards,

*Your Name*
