English Corner Presents

Success and Failure

In all of our efforts, we experience both success and failure. Failure seems an inevitable step in the path towards ultimate success. Today let's use English to learn from each other about the idea of success and failure.

1. Share a personal success from your life. Did you experience failures before this success?

2. Are you sometimes afraid of failure? Does it stop you from trying?

3. Discuss the following statement:

> *Anybody can be happy in a state of comfort, ease, health, success, pleasure, and joy; but if one will be happy and content in the time of trouble, hardship, and prevailing disease, it is the proof of nobility.*

4. What attributes allow us to learn from our failures?

5. Is it possible to achieve success entirely on your own?

6. In order for you to succeed, must others fail?

7. Explore the meaning of the words below, then make sentences with them:

Crisis	Victory	Triumph	Falter
Inevitable	Salvation	Incremental	Apathy

8. What successes and failures have our English Corner experienced? What can we learn from this?
