Goals are as follows:

- 1. Students at Plymouth Regional High School will strive for personal growth by increasing the percentage of students scoring proficient on the SAT in English, Math and Science by 3% from the baseline of the previous year.
- 2. Students in Grades 9 and 10 at Plymouth Regional High School will strive to take ownership of their learning and behavior by maintaining a failure rate of less than 15% of students who fail one or more classes.
- 3. Limit the core budget increase to 3% annually.
- 4. Maintain a drop out rate of less than 1% annually.
- 5. Maintain communication with parent and district residents and expand communication with sending schools
